**TROY BIKE RESCUE** is planning a pre-bike-month bike-weekend for April 24-25, and we want you to be involved! We are inviting bicycle organizers, volunteers, and enthusiasts of all kinds from not-so-far-off lands to converge on our post-industrial town for a meeting of the minds on all things bicycle culture in the Northeast US. Through discussions, skillsharing sessions, and bicycle fun, we will come together to learn, share, and build something awesome. It can only be as great as we make it, so join us!

**DATE & TIMES:** Bike!Bike! Northeast events will be happening on April 24th from 10am - midnight & April 25 from 10am-2pm.

**LOCATIONS:** The Sanctuary for Independent Media at 3361 6th Ave. & the TBR Community Bike Space 51 3rd St. , Troy, NY

**REGISTRATION:** If you are coming, please register online! We need to know how much food to make and how much housing to coordinate.

**FOOD & HOUSING:** TBR is working with many awesome local groups and individuals to coordinate food and housing for all. If you are coming from out of town, you will be prompted to answer some useful questions about your needs on the registration form. The community meal will be vegetarian and vegan friendly. Other dietary restrictions may not be met.

**ZERO WASTE:** We are asking that participants bring a dish and mug for your food. We want to make this a zero waste event if possible!

**WORKSHOPS:** Want to facilitate a skillshare or discussion? It can be whatever you make it! Fill out our online proposal form please.

**MOVIES & BIKE PARTY:** Saturday night's events will include Bike movies, like the new BMX documentary, I Love My Bicycle plus two live bands to make us dance.

**SUPPORTERS:** The Honest Weight Food Coop, Albany Bicycle Coalition, New York Bicycling Coalition, Amy Halloran, X's to Os Vegan Bakery, Collar City Bike Polo, and [YOUR NAME HERE]  
Contact us if you are interested in providing additional support: food, supplies, printing, kids' bike rodeo supplies, or, yes, money.

**BIKE!BIKE! INTERNATIONAL** is an annual gathering of bicycle co-ops, collectives, back yard projects and non profits. For the past 8 years, various cities in North America have hosted Bike!Bike! ([www.bikebike.org](http://www.bikebike.org)). Recently, regional Bike!Bikes! have emerged. These regional events are not in place of the (inter)national gathering but rather a supplement.
